

Now available in 347V

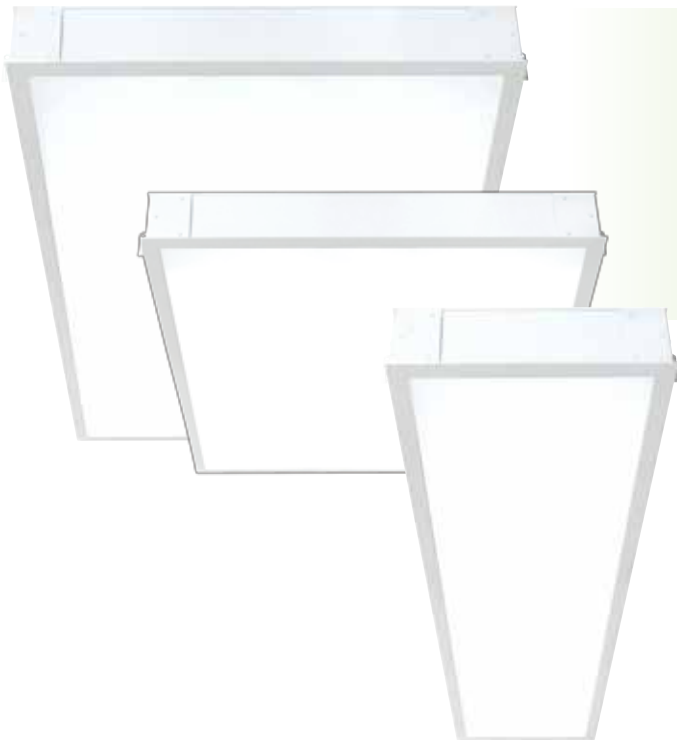

SLIM™ 12, 18 & 26W

- Full cutoff, fully shielded LED wallpacks
- Available in 12, 18 and 26 Watt models
- Can be used as downlight or uplight
- High efficiency with up to 97 lm/W
- 100,000-Hour LED lifespan

LPANEL™ 2x2, 1x4 & 2x4

- Ultra-high efficiency with up to 106 lm/W
- Smooth diffusion lens for uniform light, edge to edge
- 0-10V dimming option available
- Modular splice box & integral T-bar clips for easy installation
- 100,000-Hour LED lifespan

Full line of 347V LED fixtures

Notes:

For white add "W" and for roadway gray add "RG" before "/347" suffix (i.e. ALED52W/347 RCL). Roadway gray is only available for roadway lights and 78W area lights.

For all LED fixtures except panels, add "N" for neutral color temperature or "Y" for warm color temperature before color suffix (i.e. ALED52YW/347 RCL). For LED panels add "YN" for warm/neutral color temperature or "Y" for warm color temperature in place of the "N" currently in the catalog number (i.e. PANEL2x4-44Y/347 RCL).
